

Car Depreciation Project Information

You get to buy the new car of your dreams. Fill out the provided form for your new car using the Kelly Blue Book website, www.kbb.com.

After you have chosen a car, go to the website listed below. Find your car and use the following chart to find the average depreciation rate for your specific car.

www.alg.com/insights/depreciation-ratings/

Depreciation Rates by Stars

Five Star	9.18%
Four Star	10.92%
Three Star	11.125%
Two Star	12.665%
One Star	12.85%

Use this information to fill out the rest of the form to find out how much your car is worth after five years.
