

Practice B

For use with pages 424–429

Find the area of the quadrilateral.

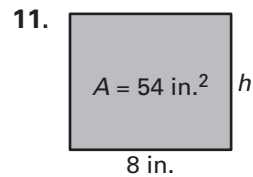

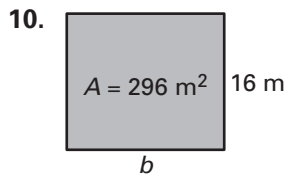

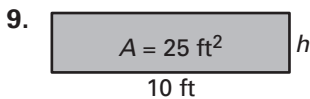

Sketch the figure and find its area.

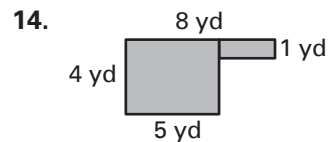

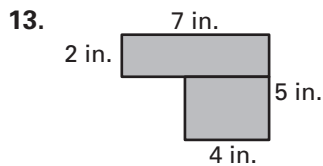

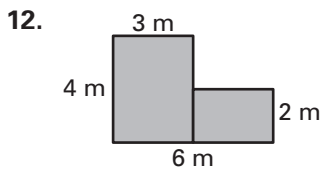

7. a square with side lengths of 3.5 yards

8. a rectangle with a base of 7.2 meters and a height of 4 meters

In Exercises 9–11, A gives the area of the rectangle. Find the missing side length.

In Exercises 12–14, find the area of the polygon made up of rectangles.

15. A deck wraps around the back of a house. Find the area of the deck made up of rectangles.
