

MIXED PRACTICE. Follow the instructions in each box.

1. Find the area of this room:

2. Find the area of this portion of a basketball court:

3. A 20 foot x 12 foot pool is to be surrounded by a deck 6 feet in width. How many square feet of decking is needed to do this?

As always, we want to draw a picture of what this looks like.

What is the area of this figure?
